

CURRICULUM VITAE

Bhagini Erandi Pathirana

BVSc (Peradeniya), MSc (Osaka), PhD (Sydney), FSLCVS

<https://scholar.google.com/citations?user=A-KDgloAAAAJ&hl=en>

<https://orcid.org/0000-0002-1795-5423>

<https://publons.com/researcher/4706057/erandi-pathirana/>

Official Position and Affiliation:

Head, Department of Aquatic Bioresources

Faculty of Urban and Aquatic Bioresources

The University of Sri Jayewardenepura, Nugegoda, Sri Lanka

Contact : 0711225499, erandi@sjp.ac.lk

EDUCATION

PHD IN AQUATIC ANIMAL HEALTH AND MICROBIOLOGY (2016-2020)

Sydney School of Veterinary Science, Faculty of Science, The University of Sydney, Australia

- **Thesis title:** Environmental influences on the Pacific oyster (*Crassostrea gigas*) microbiome and disease associated with *Ostreid herpesvirus-1* (OsHV-1)

MASTER'S DEGREE IN BIOLOGICAL SCIENCES (2010-2012)

Faculty of Science, Osaka Prefecture University, Japan

- **Thesis title:** Isolation and characterization of microsatellite markers from the genome of *Rhithrogena japonica* and their application in analyses of populations

BACHELOR'S DEGREE IN VETERINARY SCIENCE (1998-2003)

Faculty of Veterinary Medicine and Animal Science, University of Peradeniya, Sri Lanka

- BVSc Second Class (Upper Division)
- Rank: 1/59 in the batch 1997/98

ACADEMIC DISTINCTIONS, AWARDS AND ACCOLADES:

POST-DOCTORAL LEVEL:

- 2024 **Eminent Veterinarian Award 2024** for Sri Lanka (Category – Aquaculture), SAARC Regional Veterinary Association
- 2023 **Fellow**, Sri Lanka College of Veterinary Surgeons
- 2023 Dr. and Mrs. A.R. Mohammed **Award for the best presentation in Animal Health** 75th Annual Scientific Sessions of the Sri Lanka Veterinary Association
- 2020 Dr. and Mrs. A.R. Mohammed **Award for the best presentation in Animal Health** 72nd Annual Scientific Sessions of the Sri Lanka Veterinary Association

GRADUATE LEVEL:

- 2018 **Canadian Excellence Research Chair (CERC) in Aquatic Epidemiology Travel Award** 8th International Symposium on Aquatic Animal Health (ISAAH), American Fisheries Society, Prince Edward Island, Canada
- 2018 **Postgraduate Research Support Scheme (PRSS) Award**, University of Sydney Annual Meeting of the Australian Society for Microbiology, Brisbane, Australia
- 2015 **Endeavour Postgraduate Scholarship**, Australian Government To pursue doctoral studies at the Sydney School of Veterinary Science, Faculty of Science, University of Sydney, Australia.
- 2010 **Graduate Scholarship, Kobayashi International Scholarship Foundation, Japan**

To pursue graduate studies at the Faculty of Science, Osaka Prefectural University, Japan.

UNDERGRADUATE LEVEL:

- 2004 **Dr. Arunachalam Chinnaiah Memorial Gold Medal**
Best performance at the final BVSc examination, Annual Convocation, University of Peradeniya
- 2003 **Prof. S.T. Fernando Memorial Gold Medal**
Annual Convocation, University of Peradeniya
- 2001 **Distinction for Veterinary Microbiology**, Third BVSc examination.

TEACHING EXPERIENCE

- Dec 2021 - to date **SENIOR LECTURER (Gr. I)**
University of Sri Jayewardenepura
Subjects taught: Aquatic Animal Health, Aquatic Pathology and Microbiology, Biotechnology, Biochemistry for Aquaculture, Ornamental Fish Culture and Breeding, Mariculture, Practical Aspects of Aquatic Architecture, Marine Mammals, Dangerous Marine Creatures
Detailed course-content development:
Subjects: Aquatic Animal Health, Aquatic Pathology and Microbiology, Biotechnology, Biochemistry for Aquaculture, Ornamental Fish Culture and Breeding, Mariculture, Practical Aspects of Aquatic Architecture, Marine Mammal, Dangerous Marine Creatures
- June 2012 - Nov 2021 **LECTURER**
Ocean University of Sri Lanka
Subjects taught: Aquatic Animal Health, Fish Pathology, Microbiology (General Microbiology, Seafood Microbiology and Applied Microbiology), Marine Biotechnology & Biomedicine, and Marine Food Technology
Course-module development: Aquatic Animal Health, Marine Food Technology, Marine Biomedicine
Undergraduate research supervision: 27 research projects
Research seminar coordinator: special degree programme – batch 2016/17
- July 2016 – Nov 2018 **GRADUATE TEACHING ASSISTANT**
University of Sydney, Australia
BSc in Animal Veterinary Biosciences programme
Conducted practical classes - fish necropsy examination, fish anaesthesia and water quality testing, conducted tutorial classes - Atlantic salmon production and Pacific oyster production
- Apr 2010 – Mar 2012 **GRADUATE TEACHING ASSISTANT**
Osaka Prefecture University, Japan
- June 2009 – Mar 2010 **GRADUATE RESEARCH ASSISTANT**
Osaka Prefecture University, Japan
- May 2004 – Dec 2005 **TEMPORARY LECTURER**
Faculty of Veterinary Medicine and Animal Science, University of Peradeniya

RESEARCH AND RESEARCH EXPERIENCE

Research interests and specializations: Aquatic animal health, environmental influences on the aquatic animal microbiome, bioinformatics and microbiome analysis, sustainable oyster farming in Sri Lanka, bacteriology and efficiency of oyster depuration, Development of fish vaccines

INTERNATIONAL RESEARCH GRANTS

Nov 2021 – July 2024 **PRINCIPAL INVESTIGATOR**

The World Academy of Sciences (TWAS) - Individual research grant award for Basic Sciences 2021

Project: Characterizing the microbiome of *Crassostrea madrasensis* (Indian backwater oyster) for healthy and sustainable oyster farming in Sri Lanka

Value: 12,650 USD

CURRENT RESEARCH

- Analysing the Indian oyster microbiome for healthy and sustainable oyster farming in Sri Lanka
- Bacteriology and efficiency of oyster depuration

PUBLICATIONS

Research publications in peer-reviewed, SCI-indexed journals:

- Whittington, R., Buller, N., **Pathirana, E.**, Dhand, N.K., Hair, S., Hick, P.M., Paul-Pont, I. (2024). Investigations of the involvement of *Vibrio* species with *Ostreid herpesvirus-1* in mass mortality events in the Pacific oyster *Crassostrea gigas*. *Aquaculture* 590; 741090. doi: 10.1016/j.aquaculture.2024.741090

Research publications in peer-reviewed journals:

- Premarathna, A.D., Rajapakse, R.P.V.J, **Pathirana, E.**, Senaratne, V.P., Karunarathna, S.C., Jayasooriya, A.P. 2015. Nutritional analysis of some selected fish and crab meats and fatty acid analysis of oil extracted from *Portunus pelagicus*. *International Journal of Scientific & Technology Research* 4; 197-201. <http://www.ijstr.org/research-paper-publishing.php?month=july2015>
- **Pathirana, B.E.**, Takemon, Y., Takayanagi, A., Abbas, E.M., Tanida, K., Shimizu, N., Kato, M. 2012. Isolation of repetitive sequence elements from the genome of mayfly *Rhithrogena japonica*

Book chapters

Fuhrmann, M., **Pathirana E.**, de Kantzow, M., Hick, P. (2022). Ostreid herpesvirus disease. Kibenge, F.S.B., Baldisserotto, B., Chong, R. S-M. (Eds.), Aquaculture Pathophysiology - Volume II. Crustacean and Mollusc Diseases - 1st edition, Elsevier, Inc., New York, USA, 473-488.

Publication of microsatellite sequences in international gene databases:

Fifty-two microsatellite sequences were identified from the *Rhithrogena japonica* genome and were published in the nucleotide databases of GenBank (National Center for Biotechnology Information (NCBI), USA, DNA Data Bank of Japan (DDBJ) and European Molecular Biology Laboratory (EMBL).

Research abstracts at scientific meetings (selected):

*Contributed as the research supervisor of the research study.

EDITORIAL EXPERIENCE

SCIENTIFIC RESEARCH

- Associate Editor, Asian-Australasian Journal of Bioscience and Biotechnology (March 2020 to December 2023)
- Member, Editorial Committee, Sri Lanka Veterinary Journal – January 2022 to date
- Reviewer, Applied and Environmental Microbiology, American Society for Microbiology, USA
- Reviewer, Aquaculture, Fish and Fisheries, Wiley Online Library, John Wiley & Sons, Inc., USA
- Reviewer, Sustainable Microbiology, Oxford Academic Press, UK.
- Reviewer, Scientific Sessions of the Sri Lanka Veterinary Association, 2021-2024
- Reviewer, Advances in Technology (Journal), Faculty of Technology, University of Sri Jayewardenepura, 2022
- Reviewer, International Symposium on Agriculture and Environment 2024, 2023, 2021 and 2020, University of Ruhuna
- Reviewer, International Conference of Agricultural Sciences - Sabaragamuwa University of Sri Lanka (AgInsights 2024)
- Reviewer, NARA Scientific Sessions 2020, 2024
- Reviewer, Research Symposium of the Ocean University of Sri Lanka, 2020 and 2023

- Track Chair/Wildlife and Aquatic Animal Medicine, Scientific Sessions Committee 2024, Sri Lanka Veterinary Association

INVITED CONTRIBUTIONS AT RESEARCH CONFERENCES

- Chair, Session on Environmental Pollution and Natural Resources Management, 9th International Conference on Multidisciplinary Approaches (ICMA) 2022
- Track chair and Session Chair/ Wildlife and Aquatic Veterinary Medicine, 76th Annual Scientific Sessions, SLVA

RESEARCH SKILLS

Field experimental skills in Aquatic Animal Health

Oyster sampling in the field in Australia and Sri Lanka

Experimental laboratory skills in Aquatic Animal Health:

Oyster husbandry in controlled laboratory environments, sample collection for virology, bacteriology, genetics and histopathology, shellfish necropsy examination, diagnostic bacteriology (both conventional and molecular level) and diagnostic virology (molecular level) of aquatic animal diseases, histopathology in fish parasitic diseases

Molecular Biology techniques:

Microbiome analysis using bioinformatic software (QIIME2, CLC Genomics, PAST); real-time quantitative PCR for both diagnostic bacteriology and virology; conventional PCR; microsatellite analysis using software and PAGE

Soft skills in Computational Biology/Bioinformatics:

Quantitative Insights into Microbial Ecology (QIIME); CLC Genomics; Paleontological Statistics (PAST)

NATA-ACCREDITED LABORATORY EXPERIENCE (Aug 2016 – Feb 2020)

Worked and carried out research in a Veterinary Diagnostic Laboratory accredited by the National Association of Testing Authorities (**NATA**), Australia, for veterinary testing in microbiology, molecular diagnostics etc.

OVERSEAS PROFESSIONAL TRAINING (SELECTED)

2018 **Monash University, Australia**

Training course on **Microbiome Analysis** using Quantitative Insights into Microbial Ecology 2 (QIIME2)

2018 **Elizabeth Macarthur Agricultural Institute, NSW, Australia**

Training course on **Aquatic Veterinary Pathology**

Hands-on experience and theoretical knowledge on gross, microscopic and clinical pathology of fish, crustacean and mollusc diseases

2018 **University of Prince Edward Island, Charlottetown, Canada**

Workshop on practical **bivalve shellfish disease detection and necropsy**

Conducted by the Fish Health Section of the American Fisheries Society in conjunction with the International Symposium on Aquatic Animal Health (ISAAH).

2018 **Centre for Infectious Diseases and Microbiology-Public Health (CIDM-PH) and Marie Bashir Institute, Australia**

Workshop on **Microbial Genomics**

2017 **Centre for Infectious Diseases and Microbiology-Public Health (CIDM-PH) and Marie Bashir Institute, Australia**

Sydney Summer school on **Pathogen Genomics** and Global Health

POSTGRADUATE RESEARCH SUPERVISION

Faculty of Veterinary Medicine, University of Peradeniya

- MPhil degree programme: Co-supervisor
Morphology and morphological characterization and prevalence of parasitic infestations of marine snakes in Sri Lanka: Mr. M.L.I. de Silva (February 2022 – January 2024)

Murdoch University, Perth, Australia

- PhD degree programme: Co-supervisor
First intensive survey for parasites of marine fishes in Sri Lanka: richness, taxonomy and biogeography of the *Opecoelidae* (Trematoda): Mr. M.L.I. de Silva

UNDERGRADUATE RESEARCH SUPERVISION (32 Research studies)

Faculty of Agriculture, University of Ruhuna (as external supervisor)

1. A histopathological study of parasitic digenean metacercariae in varieties of goldfish (*Carassius auratus*): Ms. Maleesha Sandeepani
2. Isolation and characterization of *Vibrio* spp. from fish and packing water associated with ornamental fish exports: Ms. K.C. Abeyasinghe, 2023-2024 (Primary supervisor)
3. Comparative analysis of reproductive hormones and morphometric attributes in catla (*Catla catla*) and mrigal (*Cirrhinus mrigala*) carps: Mr. G.K.D. Gamage, 2023-2024 (Co-supervisor)
4. Occurrence of gut *Acanthocephalans* in Frigate tuna (*Auxis thazard*) and Mackerel tuna (*Euthynnus affinis*): Ms. D.K.C. Colonne, 2022-2023 (Co-supervisor)
5. Bacteriological assessment of efficacy of selected commercial disinfectant products used in the poultry industry: Mr. H.D.A. Wimalaratne (Co-supervisor)

Ocean University of Sri Lanka (June 2012– Oct 2021)

6. A study of Sri Lankan marine snakes: Morphology, Reproductive Biology and Parasitic Infections
Mr. M.L.I. de Silva (Honours degree research: External supervisor: Prof. RPVJ Rajapakse)
7. Assessing the efficiency of conventional water treatment process in improving the quality of water: Mr. R.I.B.K.D. Ratnamalala (Internal supervisor)
8. A review of studies associated with diseases in commercial ornamental fish and food fish cultured in Sri Lanka: Ms. D. Gunaratne (Sole supervisor)
9. Demonstrating the cultivability of marine bacteria using Pacific oyster (*Crassostrea gigas*) microbiome: Ms. P.A.M. Achinthika (Sole supervisor)
10. A review of studies associated with histamine in fish and fishery products available in Sri Lanka: Ms. D. Abeyratne (Sole supervisor)
11. A haematological study of some selected freshwater ornamental fish: Ms. A.D.C.T. Adikari (Sole supervisor)
12. A microbiological study of a local population of Rocky oysters (*Saccostrea* spp.) in Tangalle, Sri Lanka: Ms. O.V. Handapangoda (Sole supervisor)
13. A comparative study on the antibiotic resistance of aquatic microbes: Natural water bodies vs. commercial aquaria: Ms. P.B.M. Pathirana and Mr. W.S. Thilakaratna (Sole supervisor)
14. Antibacterial efficacy, the effects on water quality and toxicity of Kottamba leaves (*Terminalia catappa*):
Ms. N.P. T. B. L. Nanayakkara (External supervisors: Dr. Rasika Jinadasa and Dr. Samanthika Jagoda, CAADDR, University of Peradeniya)
15. Comparative study of some selected biochemical properties of six different species of marine macro algae:
Ms. W. M. L. A. Wanasinghe (External supervisor: Prof. RPVJ Rajapakse, University of Peradeniya)
16. Effect of *Sargassum crassifolium* and *Ulva fasciata* on bodyweight, certain biochemical and haematological parameters of laboratory mice: Ms. W. D. M. C. Wickramanayake. (External supervisor: Prof. RPVJ Rajapakse, University of Peradeniya, Sri Lanka)
17. Growth-related testosterone dynamics in male and female Nile tilapia (*Oreochromis niloticus*): Ms. W. D. M. C. Wickramanayake and Ms. W. M. L. A. Wanasinghe. (External supervisor: Dr. Indunil Pathirana, University of Ruhuna, Sri Lanka)
18. Antibacterial efficacy of spices and seasoning used in household fish processing and preservation: Ms. N.P.T.B.L. Nanayakkara
19. Microbial diversity in ornamental fish aquarium water: Are they sensitive to commercial anti-bacterial preparations? Ms. D.P.T. Rushanthi

20. Nutritional analysis of some selected fish and crab meats and fatty acid analysis of oil extracted from *Portunus pelagicus*: Mr. D.A.G.A.D. Premarathna. (External supervisor: Dr. Anura Jayasooriya, University of Peradeniya)
21. Evaluation of different anaesthetic agents used in the sedation and anaesthesia of blood-spotted crab, *Portunus sanguinolentus*: Mr. D.A.G.A.D. Premaratne
22. Evaluation of a plant-based protein hydrolysate as an ingredient in feed formulation for common carps (*Cyprinus carpio*): Mr. G.H.E. Chandraratne. (External supervisor: Dr. Anura Jayasooriya, University of Peradeniya)
23. An assessment of bacterial quality of water, ice and fish in a fishery harbor in Southern Sri Lanka: Ms. A.D.I.D. Ranasinha
24. Assessing the efficacy of some commercially available, general-purpose disinfectants and antiseptics: Mr. G.H.E. Chandraratne
25. Comparative assessment of the nutritional quality of commercially available fish feeds: Mr. I. Liyanage
26. Study of the genetic variation in exon 4 region k-casein gene in local indigenous and Jamnapari crossbred goats in the North-Western Province of Sri Lanka: Mr. G.A.P.R. Ganepola. (External supervisor: Dr. Basil Alexander, University of Peradeniya)
27. A study on induced breeding of guppy fish, *Poecilia reticulata* by GnRH hormone injection: Ms. Mayuri Samarasinghe. (External supervisor: Dr. Basil Alexander, University of Peradeniya)
28. Isolation and identification of *Vibrio* species from shrimp farms located in Chilaw, Sri Lanka: Ms. K.H.I.U. Kodagoda. (External supervisor: Dr. Rasika Jinadasa, University of Peradeniya)
29. Evaluation of feeding strategies in shrimp farms located in Chilaw, Sri Lanka: Mr. Pandula Ramanayake. (External supervisor: Dr. M.N.M. Fouzi, University of Peradeniya)

POSTGRADUATE RESEARCH REVIEW AND EXAMINATION

Reviewer - MPhil Research

Faculty of Veterinary Medicine and Animal Science, University of Peradeniya

Reviewer – Research Ethics

Faculty of Veterinary Medicine and Animal Science, University of Peradeniya

Panel member/Examiner

Faculty of Graduate Studies, Sabaragamuwa University of Sri Lanka

UNDERGRADUATE RESEARCH REVIEW AND EXAMINATION

Examiner - Faculty of Veterinary Medicine and Animal Science, University of Peradeniya

OTHER CONTRIBUTIONS AT UNIVERSITY LEVEL

Faculty of Urban and Aquatic Bioresources, University of Sri Jayewardenepura

ACADEMIC AND RESEARCH COLLABORATIONS

Initiated and currently coordinating academic and research collaborations with multiple local and foreign institutions.

- University of Sydney, Sydney, Australia
- Murdoch University, Perth, Australia
- Aquaculture Development Centre (belonging to the Western Provincial Council), Pitipana, Negombo

ADMINISTRATION AND QUALITY ASSURANCE

May 2022 - to date	Founder Head , Department of Aquatic Bioresources
Jan 2022 - Dec 2023	First Deputy Proctor , Faculty of Urban and Aquatic Bioresources
May 2022 - to date	Faculty Coordinator/Internal Quality Assurance Cell
2023	Coordinator , first physically held orientation programme of the Faculty

UNIVERSITY LEVEL

- Member, Committee for formulating standard operational procedures (SOP) for examinations (June 2022 to date)
- Member, Committee for formulating a policy for grievance handling of staff and students at the (June 2022 to date)
- Member, Committee for preparing a performance appraisal system for the academics (February 2023 to date)
- Member, Committee for formulating a policy for appointing honorary/adjunct or visiting academic staff (May 2023 to date)
- Member, Committee for formulating a policy for credit transfer
- Faculty Representative, Senate Standing Committee for Quality Assurance
- Faculty Representative, Curriculum Review Committee of the University
- Member, Committee for developing a self-evaluation report (SER) for the Institutional Review 2024
- Patron, Japura Blue Legacy Club (Official student club of the Department of Aquatic Bioresources)

OCEAN UNIVERSITY OF SRI LANKA

2020	Training of trainers Conducted a training course on Aquatic Animal Health Management for lecturers of Regional Training Colleges of the University
2020	Member, Policies, Procedures and By-Laws Committee of the University Developed the manual of Academic Procedures and Regulations of the University.
2012	Convener - OCU team for Japan Quiz Selection and training of undergraduates to participate in the 'Japan Quiz 2012', organized by the Sri Lanka-Japan Business Co-operation Committee of the Ceylon Chamber of Commerce

UNIVERSITY OF RUHUNA

Scientific Assistant to the Vice-Chancellor (April 2006 – March 2008)

- Coordinator for NOMA (Norad's Programme for Master Studies) collaborative projects with the University of Agder, Norway, Bodo University College, Norway etc. from the stage of proposal writing.
- Coordinated collaborative projects with the University of Durham, UK, Ritsumeikan Asia-Pacific University, Japan etc.

Administrative Secretary of the CIDA-Tsunami project, University of Ruhuna, Sri Lanka (2007)

Project title: Restoration of livelihoods in tsunami-affected areas

Member, Delegation of the University of Ruhuna to Bodo University College, Norway (June 2007)

This delegation was headed by the Vice-Chancellor and was aimed at developing a collaborative Master's degree programme between the University of Ruhuna and the Bodo University College, Norway.

Scientific Secretary to the Chairman, Committee of Vice-Chancellors and Directors (CVCD), Sri Lanka (2006)

- Coordinated the workshop on the "Improvement of the Management of the Universities in Sri Lanka" which was held with the participation of Vice-Chancellors, Deans of Faculties and Eminent Professors of the university system of Sri Lanka.
- Coordinated the **maiden CVCD Excellence Awards Ceremony** from the stage of calling applications for awards up to the stage of the awards give-away ceremony

UNIVERSITY OF PERADENIYA

Shadow person-in-charge, project on 'Improving the relevance and quality of undergraduate education' (IRQUE, 2004-2005)

Coordinated a main activity of the competitive project grant secured by the Faculty of Veterinary Medicine, University of Peradeniya. The activity involved planning and implementation of a new industrial placement programme for veterinary students

CONTRIBUTIONS AT NATIONAL LEVEL

- 2024 **Member of the World Bank consultation meeting on priorities for investments in coastal fisheries, aquaculture in Sri Lanka and the blue economy**
Aimed at discussing sector governance issues and recommendations for improving policies, regulations and capacity for effective and sustainable fisheries management
- 2020 – 2024 **Member and Sri Lankan Coordinator of the project team for Marine Aquaculture Development in Sri Lanka (MADS)**
Australian-Government funded project aimed at developing mariculture in Sri Lanka. The project specifically works on the farming of Indian oysters, seaweeds, and Asian Sea Bass. The National Aquaculture Development Authority (NAQDA) and the University of Sydney, Australia are among the other members of this collaborative project.
- 2022 **Guest Speaker/Resource Person - Marine Turtle Awareness Session on Turtle pathology and necropsy examinations**
Marine Environmental Conservation Society of Sri Lanka (MECS)
- 2021 **Member - Committee convened by the Marine Environment Protection Agency, Diagnosing the cause/s of marine animal deaths associated with the X-Press Pearl Cargo Shipwreck**
- 2021 **Member of the subcommittee convened by the Ministry of Fisheries**
To assess the damage to fisheries associated with the X-Press Pearl Cargo Shipwreck
- 2021 **Member of the committee convened by the National Science Foundation (NSF)**
Preparing a strategic road map and pragmatic action plan on impact assessment, mitigation, damage control and ecosystem restoration associated with the X-Press Pearl Cargo Shipwreck.
- 2021 **Member of the panel of judges, Interuniversity quiz and poster competition on 'Chemistry of marine pollution' for undergraduates of the Sri Lankan university system**
Sri Lanka Society for the Advancement of Science (SLAAS) Section E2
- 2021 **Judge, English article writing competition for undergraduates of the Ocean University**
OCU chapter of the Students for the Exploration and Development of Space (SEDS)

OUTREACH ACTIVITIES

INTERNATIONAL LEVEL:

- 2023 **Speaker at the TEDx USriJayewardenepura**
First-ever TEDx programme held at a state university in Sri Lanka
Title of the talk: Marine microbiome: the fascinating world within our oceans
- 2021 **Resource person/speaker - webinar series organized by the Ocean University, in line with the World Ocean Day 2021**
Title: Marine microbiome: the fascinating world within our oceans
- 2010 – 2012 **Voluntary Member, Osaka Foundation for International Exchange (OFIX), Japan**
- 2008 – 2012 **Member, International Exchange Club (KoKoC), Osaka, Japan**

Science writer

- Feature article - Your Veterinarian (Official Magazine of the Sri Lanka Veterinary Association, Vol.2 No. 1, Dec 2021) titled, **“Why are marine turtles dying on our shores?”**
- Feature article on Daily Mirror (June 28, 2021) titled, **“Why are turtles dying on our shores?”**
- Feature article on Sunday Lankadeepa (June 27, 2021) titled, **“කැස්බෑවුන්ගේ පැවැත්මට බලපාන හේතු”**

PROFESSIONAL QUALIFICATIONS

- **Certificate in Teaching in Higher Education (CTHE)**, Staff Development Centre, University of Sri Jayewardenepura (Aug 2020- Feb 2021)

FELLOWSHIP/MEMBERSHIP IN PROFESSIONAL ASSOCIATIONS

- 2023 - to date **Fellow**, Sri Lanka College of Veterinary Surgeons
- 2024 **Member**, BactiVac network, University of Birmingham, UK
- 2020 - to date **Life Member**, Sri Lanka College of Microbiologists (SLCM)
- 2016-2017 Student Member, Australian Society for Microbiology
- 2014 - to date **Member**, Sri Lanka Association for the Advancement of Science.
- 2005- to date **Registered Veterinarian**, Sri Lanka Veterinary Council (Reg. No. 1278).
- 2003- to date **Member**, Sri Lanka Veterinary Association.

LANGUAGE PROFICIENCY

English Language

- International English Language Testing System (**IELTS**) - April 2018
Listening 8.5, Reading 7.5, Writing 7.5, Speaking 7.5, Overall band score **8 out of 9**.
- Test of English as a Foreign Language (**TOEFL**) - August 2005 **657 marks out of 677**.

Japanese Language

- 2009-2010 Japanese Language Proficiency (levels 3 & 4)
Japan Educational Exchange and Services and the Japan Foundation.
- 2010 **Gold medal**, Foreign Students` Japanese Language Speech Competition
Osaka Prefectural University
